Power supply	5 V $\overline{=}$ , 600 mA max, USB charging via USB-C socket at charging case

When True Wireless sound exceeds every expectation, you're listening to the CX Plus SE True Wireless from Sennheiser. They deliver a thrilling, high-quality sound experience with Active Noise Cancellation, effortless smart interaction and a sleek design for supremely comfortable all-day enjoyment.

### Superior sound

- **Sennheiser Superior Sound:** Powered by Sennheiser's TrueResponse transducer for high fidelity sound
- **Active Noise Cancellation & Transparency Mode:** Block out noise or gain awareness of external sounds at a touch in any environment
- **Built-in Equalizer and Bass Boost:** Adjust the Equalizer and Bass Boost levels for a tailored sound and audio experience

### Designed for full day wearing

- **IPX4:** Splash resistance for trouble-free use while travelling, commuting or exercising
- **Compact, Ergonomic Design:** With 4 ear adapter sizes to ensure optimal comfort and a secure fit for anyone
- **Battery Life:** Up to 8 hours and 24 hours of play back time with on the go charging via the case

### A smarter user experience

- **Customizable Touch Controls:** Personalize touch controls for music, calls and voice assistant to match individual preference for intuitive operation
- **Independent Earbud Use:** Convenient feature enables the left and right earbuds to be used individually or as a pair
- **Noise Reduced Microphones:** Crystal-clear voice pickup by dual beamforming mics on each earbud to ensure speech optimized calls and voice assistant access (Siri and Google Assistant)
- **Smart Pause:** The earbuds pause and resume playback automatically when taken out or replaced in the ear
- **Connections Management:** Bluetooth connections can be easily managed via the Sennheiser Smart Control app
